Charity Golf Outing Nets Significant Donation for The Children's TherAplay Foundation, Inc.

The Children's TherAplay Foundation, Inc. (TherAplay) benefited a little over \$30,000 from the generous sponsors and golfers who participated in IHCD's 4th Annual Charity Golf Outing, held in October at the Ironwood Golf Club in Fishers.

"This donation is a big boost to our Scholarship Fund," said Raquel Ravinet, Executive Director of TherAplay. It will underwrite more than 500 hours of equine-assisted therapy for children with special needs who otherwise could not afford our services."

Charity Golf Outing/Add 1

TherAplay is a nonprofit outpatient rehabilitation clinic for children with disabilities. The clinic is unique because they incorporate the movement of horses as a treatment tool within physical, occupational and speech therapy sessions.

“Thanks to everyone who played a part, the IHCD A Golf Outing was a huge success,” said Bryan Philps of IHCD A. “We’re so proud to be able to make this donation to such a worthy cause.” A special thank you to IHCD A’s 4th Annual Charity Golf Outing Presenting & Corporate Sponsors. They included the following:
